Dear OCC Director:

This letter describes how Big Sandy Rancheria Tribal CCDF Program plans to use the Child Care and Development Funds (CCDF) awarded under the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA). We understand that this description will be used for the purpose of informing the Office of Child Care, Administration for Children and Families and Congress how our Lead Agency anticipates using the funds to support the childcare needs in our jurisdiction.

We plan to use CRRSA funds for activities in the following categories: Direct Services/Subsidies and Other

1. Direct Services/Subsidies

- Our agency is not planning to use funds under this heading.

2. Implementation of Virus Mitigation Policies and Practices

- Our agency is not planning to use funds under this heading.

3. Grants or Assistance (Other than Subsidies) to Stabilize Child Care Providers

- Our agency is not planning to use funds under this heading.

4. Assistance to Providers Not Participating in the Subsidy System Prior to the Pandemic

- Our program will provide support, supplies, mini grants, and training to new providers that will fit their needs and enhance quality of care.

5. Other

- CRRSA funding will be used for construction/major renovation. Our program will complete all the proper steps and submit a construction application for approval.

The Big Sandy Rancheria Tribal CCDF program will amend our CCDF plan because of activities implemented under CRRSA funding not currently described in the plan, within 60 days of implementation.

Thank you,

/s/
